

TABLE OF CONTENTS OF VOL. 4 (1) 2009

Summary Proceedings and Recommendations : National Conference on Eco-friendly Approaches in Sustainable Agriculture and Horticulture Production.....	
Organic Farming	
Organic farming practices in white onion (<i>Allium cepa</i> L.) - V.Sankar, D.Veragavathatham and M.Kannan	
Effect of different combinations of organic manure on growth and yield of ginger (<i>Zingiber officinale</i> Rosc.) - S.P. Singh, R. Chaudhary and A.K. Mishra	
Comparison of average observed ESP and salt dynamics with the empirical equations and models - M.S.Kahlon, K.L.Khera and A.S.Josan	
Biomediated release of phosphorus in rice growing soils of Jammu - Arvind Singh and A K Bhat	
Effect of vermicompost amended alluvial soil on growth and metabolic responses of rice (<i>Oryza sativa</i> L.) plants - S.N Panday and Amallesh Yadav	
Genetics	
Gene effects on yield in Maize under different environmental conditions - Ajaz A. Lone and M.Z.K. Warsi	
F ₂ Population size for breeding for resistance to root and stalk lodging in Maize (<i>Zea mays</i> L) - D.K. Verma and K.R.Dhiman	
Entomology	
<i>In vitro</i> Bio-efficacy of Horticultural mineral oils against Sanjose scale, <i>Quadraspidiotus perniciosus</i> (Comstock), on Apple in Kashmir - M.A. Parrey, A.Q. Rather, N.A. Wani, A.R. Wani and Asmat Maqbool	
Dose and time mortality response on susceptibility of <i>Tetranychus urticae</i> Koch. (Tetranychidae: Acari) to azadirachtin formulations - N. Kumaran and S. Douressamy	
Comparative persistence toxicity of insecticides/ biopesticides against <i>Helicoverpa armigera</i> on chickpea - Ritu Srivastava and K.D. Upadhayay	
Individual and joint effect of endosulfan and biolep on tobacco caterpillar, <i>Spodoptera litura</i> (Fab.) - Haidar Ali and M. Shafiq Ansari	
Plant Pathology	
Eco-friendly management of mango malformation (<i>Fusarium moniliforme</i> var. <i>subglutinans</i> = <i>Fusarium subglutinans</i>) through certain plant leaf extracts - P. Kumar, A. K. Misra, B. K. Pandey, R. A. Ram, S. P. Misra and D. R. Modi	
Eco-friendly approach for the management of Bacterial Soft Rot of Radish seed crop - M. R. B. Raju, V. Pal and I. Jalali	
Effect of two ectomycorrhiza inoculants on growth performance and nutrient uptake of Himalayan Cypress (<i>Cupressus torulosa</i>) seedlings - M.M. Dar , M.A.Khan , M. Y. Zargar and T.H.Masoodi	
<i>In vitro</i> performance of compost water extracts on Grapevine leaf blight pathogen - K. Praveena Deepthi, T. Vithal Reddy and T. Narsi Reddy	
Evaluation of Eco-friendly antagonists isolated from leaf based liquid biodynamic pesticides against guava wilt disease caused by <i>Fusarium</i> sp. - V. K. Gupta, A. K. Misra, B. K. Pandey, S. P. Misra and U. K. Chauhan.....	
Nematology	
Interaction effect of <i>Heterorhabditis indica</i> and Arbusular Mycorrhizal Fungus, <i>Glomus intraradices</i> on the development and reproduction of <i>Meloidogyne incognita</i> (Kofoid and white) in Tomato - S.S Husaini and Kiran Kumar, K.C.	
Post Harvest Technology	
Effect of herbal wax on ripening behaviour and surface microbial load of Mango - Neelima Garg, B.P.Singh and Deepak Sarolia.....	
Standardization of pre-treatment conditions for Mahua wine preparation - Preeti Yadav, Neelima Garg and Deepa H. Diwedi.....	
Short Communication	
Influence of Integrated Nutrient Management on soil carbon mineralization in Maize-Wheat cropping system of typical haplustepts - Gayatri Verma and A.K. Mathur	
Monitoring of <i>Adoretus cribratus</i> White with different source of light traps in Kashmir Himalaya - Z. H. Khan, Rifat H. Raina and Muneer A.Sofi.....	
Preliminary observations on the natural enemies of <i>Lymantria obfuscata</i> walker infesting Willow tree in Kashmir Valley - Zakir Hussain, Muneer Sofi , Rifat Raina and Mudasir.....
