

TABLE OF CONTENTS OF VOL. 3 (2) 2008

Review

Cyanobacterial Biofertilizers - Sunil Pabbi.....

Organic Farming

Influence of different bio-fertilizers amended Biogas Manure on Soil Microbial Population and Growth of Mungbean. - Sayaji Mehetre, Manoj Shrivastava and Sharad Kale

Effect of different strains of *Azospirillum* on growth and yield of wheat (*Triticum aestivum* L.) - R.P. Singh, G.R. Lavanya and H.B. Singh.....

Studies on yield components, yield and quality attributes as affected by growth regulators in Turmeric - D.I. Jirali, S.M. Hiremath, M.B. Chetti and S.A. Patil.....

Effect of different levels of N, P, K and S on growth, yield and quality of European Dill (*Anethum graveolens* L.) - Debjani Sanyal, Kewalanand, B. S. Mahapatra and Vineeta

Methane emission in submerged rice soils of Kashmir - A.K.Bhat.....

Genetics

Genetic Divergence among Local Maize (*Zea Mays* L.) Cultivars of Kashmir Valley. - F.A. Nehvi, M.I. Makhdoomi, Vaseem Yousuf, Fayaz Ahmed Bahar and Sabeena Naseer

Entomology

Influence of aphid species on the development and predation of *Menochilus sexmaculatus* Fabricius (Coleoptera: Coccinellidae) - Arshad Ali and Parvez Qamar Rizvi.....

Efficacy of Some Indigenous Plant Powders as Post Harvest Protectants of Greengram Seed Against Pulse Beetle, *Callosobruchus chinensis* Linn (Coleoptera: Bruchidae) - Patole, S. S. and Mahajan, R. T.

Evaluation of Bio-Pesticides and Neem Formulations for the Management of Thrips in Grape Vineyards - N.S.Kulkarni and P.G. Adsule.....

Lethal and Sub lethal Effect of Diflubenzuron and Lufenuron on *Spilarctia obliqua* Walker - Garima Gupta and A.K. Bhattacharya.....

Field efficacy of neem kernel extracts against mango mealy bug nymphs, *Drosicha mangiferae* Green - R.P. Srivastava

Screening of some linseed genotypes for resistance against budfly (*Dasyneura lini* Barnes) and capsule borer (*Helicoverpa armigera* Hubner) of linseed - R Prasad, G. S. Munda, U. K. Prasad and D. Prasad.....

Oviposition preference of *Plutella xylostella* on Brassica cultivars - Tufail Ahmad, M. Shafiq Ansari, Haidar Ali and Nazrussalam.....

Trend analysis of Jassid (*Amrasca biguttula biguttula* Ishida) population on okra (*Abelmoschus esculentus* L) as influenced by weather parameters - Sanjoy Kumar Mahato and Hirak Chatterjee.....

Validation of IPM Modules for Important Pests of Fcv Tobacco Under Sls Conditions - K. China Chenchaiyah.....

Study of neem seed kernel extract with different additives, synthetic and biopesticides against soybean white fly - Rachna Pande, D. M. Firake and Shriram Yadav.....

Effect of niger as an intercrop in sunflower on the activity of honey bees and crop yield - S.A. Gaddanakeri, A.P. Biradar and R.A. Balikai.....

Plant Pathology

Neem in the Management of Economically Important Diseases of Crops - Burhanuddin Bohra, B.N. Vyas, K.B. Mistry and K. Mathur.....

Extraction and Quantification of Glucosaminoglycan from *Ganoderma lucidum* - R.P. Singh, Vinita Pachauri, R.C. Verma, K.K. Mishra, Ashutosh Dubey and Shishir Tandon.....

Biological control of Tomato Wilt - Tejbir Singh and D.K. Chaurasia.....

Effect of cropping system on rhizospheric competence of *T. harzianum* and plant growth performance of important vegetable crops - Pratibha Sharma

Nematology

Comparative Nematopathic Potential of Plant Product, Bioagent and Antagonistic Crops Against Burrowing Nematode, Infesting Banana Crop Under Sub Humid Tropics - Rashid M. Khan.....

Home Science/Human Ecology

Nutritional profile of women of district Uttarkashi in Uttarakhand - Neetu Dobhal and Rita Singh Raghuvanshi.....

Nutritional quality of barley, soybean and wheat flour mixes and their products - Prachi Saxena and Pratima Awasthi.....

Monitoring of Pesticide Residues in Butter in Bihar - N.K. Singh, U.K.Mishra & S.P. Singh

Short Communication

Screening of Germplasm of Mustard (*Brassica juncea*) for Resistance to *Lipaphis erysimi* (Kalt.) - N.K. Singh, R.K. Akhauri and U.K. Mishra

Bioefficacy of Neemazal against rice leaf folder (*Cnaphalocrocis medinalis* Guenee) - M. Visnupriya, and P. Sivasubramanian

Preliminary Screening of different genotypes of mothbean for their resistance to insect pests - Habbal Singh and B.L. Jat

Pit fall trap for stored grains insect management in Tamil Nadu - S. Mohan and Zadda Kavitharaghavan.....

Evaluation of plant products in the management of sheath blight in rice - S. Krishnam Raju, K. Vijay Krishna Kumar and M. Ramabhadra Raju
