

## TABLE OF CONTENTS OF VOL. 2 (1) 2007

### **Review**

Biofertilizers : Potentials and prospects - *K.V.B.R. Tilak*.....

### **Organic Farming**

Effect of organic, inorganic and integrated methods of cultivation on quality of fresh green peas - *Pragya Agrawal, Leena Bhattacharya, Kalpana Kulshrestha, and B.S. Mahapatra* .....

Effect of pesticides on *Eudrilus eugeniae* (Kinberg) earthworms - *A.P. Biradar, P.K. Singh and R.A. Balikai*.....

### **Entomology**

Life tables and stable-age distribution of *Cretonotus gangis* (Lepidoptera: Arctiidae) on artificial diet - *K. C. Chenchaiyah, P. Mondal and A. K. Bhattacharya* .....

Dissipation of three pheromones components of *Helicoverpa armigera* (Hübner) from rubber septa - *Sonal Dixit, Bali Ram, N.K. Sand and Sudha Kanaujia* .....

Effect of insecticides on the chlorophyll content of chickpea - *Ritu Srivastava and K.D. Upadhyay*.....

Bio-efficacy of herbal extract derived from *Nerium odorum* and *Bombax malabaricum* (Praghat +) on mealy bugs (*Maconellicoccus hirsutus*) and its effect on shelf life of *Trichoderma* treated grapes - *N.S. Kulkarni, Indu S. Sawant, S.D. Sawant and P.G. Adsule*.....

Eco-friendly management of tomato fruit borer, *Helicoverpa armigera* (Hubner) - *G.D. Sharma, Nirmala Devi and Desh Raj*.....

Influence of dates of sowing on the incidence of insect pests of mothbean, *Vigna aconitifolia* (Jacq.) Marechal - *D.K. Bairwa and J.K. Sharma* .....

### **Plant Pathology**

Hypovirulence as a tool of biological control against *Sclerotium rolfsii* - *Pratibha Sharma and Nidhi Sharma*.....

Effect of *Trichoderma harzianum* (NBRI-1055) application on collar rot disease of groundnut - *H. B. Singh, Shishir Srivastava and Anand Singh* .....

Sensitivity of different Isolates of *Colletotrichum capsici* to *Trichoderma* spp. - *M.K. Singh and Jameel Akhtar, Atul Kumar and Abdul Khalid*.....

### **Integrated Nutrient Management**

Economics of integrated nutrient management in sorghum-wheat cropping sequence under irrigated conditions - *M. B. Dhonde, T. K. Tiwari and A. D. Tambe* .....

### **Human Ecology**

Development and storage stability of  $\beta$ -carotene rich products using green leafy vegetable powder - *Rita S. Raghuvanshi and Rashmi Singh* .....

Plum (*Ziziphus jujuba*) leaves as a source of dye for textiles - *Sunita Dixit and Shahnaz Jahan*.....

### **Short Communication**

Performance of different earthworm species for vermicomposting - *A.P. Biradar, P.K. Singh and R.A. Balikai* .....

Absorption of polyhedra of nuclear-polyhedrosis virus (NPV) by soil particles - *D. Biswas; K. Narayanan and M. Chakraborty* .....

Nucleopolyhedro virus of sugarcane shoot borer, *Chilo infuscatellus* Snell. (Crambidae : Lepidoptera) - *K. Narayanan*.....

Relative susceptibility of soybean genotypes to *Callosobruchus maculatus* (Fab.) - *Ruchira Tiwari* .....

A preliminary study on the effectiveness of *Aspergillus flavus* against, *Helicoverpa armigera* (Hübner) on chick pea - *Kirti Pandey, Hem Saxena and Prabhat Kumar*.....

Bioefficacy of summer spray oils against European red mite, *Panonychus ulmi* (Koch) on apple in Kashmir - *M. A. Parry, M. A. Mantoo and F. A. Zaki* .....

Herbal insecticidal approach to control mango mealy bug, *Drosicha mangiferae* (Hemiptera: Coccidae) - *Pooja Saxena and Prabhat Kumar*.....

Effect of starvation and density of *Lipaphis erysimi* (Kaltenbach) on feeding potential of *Chrysoperla carnea* (Stephens) - *Satnam Singh and Maninder Shenhmar* .....

Influence of sowing dates of mustard crop on population dynamics of natural enemies of *Lipaphis erysimi* (Kaltenbach) - *A.K Rai and U.K Mishra* .....

Effect of varietal mixtures on the development of leaf blight and yield of wheat - *Tejbir Singh*.....

Bioefficacy of some botanicals in the management of Alternaria leaf spot/blight of Indian mustard (*Brassica juncea* (L.) Czern & Coss) - *Reshu, S. Ashraf and F. A. Mohiddin*.....

Yield and economics as influenced by integrated nitrogen management in low land rice - *A. Upendra Rao and K.M. Dakshina Murthy*.....

Nutritional quality evaluation of defatted soy flour and drumstick leaf powder incorporated snacks - *Arti Joshi, Pratima Awasthi, and Asha Chaudhary*.....

Effect of micronutrients on growth and yield of brinjal - *M.B. Patil, S.N. Gharat, D.B. Ritpure and S.P. Khapre*.....

Effect of plant growth regulators and bioenzymes on growth, flowering and yield of okra (*Abelmoschus esculentus* (L.) Moench) - *S.J. Buwa, R.S. Dabhade, M.B. Patil and S.N. Gharat*.....
