

TABLE OF CONTENTS OF VOL. 2 (2) 2007

Review

Intellectual Property Rights - *H.S. Chawla*.....

Organic Farming

Quality evaluation of Pusa *Basmati-1* rice grown by organic, inorganic and integrated methods of cultivation -
Pooja Semwal, Leena Bhattacharya, Kalpana Kulshrestha and B.S. Mahapatra.....

Characterization of efficient native *Azospirillum* isolates from rice fields of Uttar Pradesh - *R. P. Singh, A. L. Rao,*
L. Madhavilatha and Chaitali Sen.....

Quality characteristics of mustard grown by inorganic and organic farming - *Kavita Bisht, K. Kulshrestha and*
B.S. Mahapatra.....

Influence of inorganic fertilizers on growth and development of earthworms under *in situ* vermiculture in citrus
eco-system - *A.P. Biradar, P.K. Singh and R.A. Balikai*.....

Response of nitrogen, phosphorus and spacing on production in ginger (*Zingiber officinale*) - *R.K. Bisen, P.R. Singh,*
H.P. Agrawal and A.K. Sahu.....

Human Ecology/Home Science

Training needs of the rural youth of Northeast Region: Status assessment - *Rita Singh Raghuvanshi and Hitaishi Singh*.....

Agrobiodiversity of Uttarakhand: *Rhododendron arborium* (*Buranshi*) a potential additive in product development -
Dimple Bhatt, Kavita Bisht and Kalpana Kulshrestha.....

Entomology

Eco-friendly management of major pests of brinjal through crop association and safer use of insecticides -
Rabindra Prasad, Uday Kumar Prasad and Devendra Prasad.....

Effect of different levels of defoliation at various physiological stages of soybean on germination and vigour of seeds:
Single manual defoliation - *Shri Ram and A.K. Bhattacharya*.....

Monitoring of *Helicoverpa armigera* (Hubner) seasonal population in tomato through light and pheromone traps in
Himachal Pradesh - *G.D. Sharma, Nirmala Devi and Desh Raj*.....

Feeding efficiency of *Scymnus brunnescens* Motsch (Coleoptera: Coccinellidae) as a bio-control agent - *A. Thirumurugan*
and R.D. Gautam.....

Eco-friendly management of red spider mite, *Tetranychus neocaledonicus* Andre in okra - *S.K. Mandal, S.B. Sah and*
S.C. Gupta.....

Annihilation of *Bactrocera zonata* (Saunders) (Diptera: Tephritidae) with different attractant and bait combinations -
Binay Kumar and M.L. Agarwal.....

Bio-efficacy of entomopathogens against thrips, *Scirtothrips dorsalis* Hood on rose - *Satyanarayan Halagatti and*
A. Prabhuraj.....

Plant Pathology

In vitro evaluation of leaf extracts against *Fusarium* wilt pathogens of guava (*Psidium guajava* L.) - *V. K. Gupta,*
A. K. Misra, B. K. Pandey and U. K. Chauhan.....

Compatibility of *Trichoderma harzianum* to selected insecticides - *M.K. Kidwai, Vikas, Shishir Srivastava, S.C. Srivastava*
and H.B. Singh.....

Bio-efficacy of neemazal, a product of azadirachtin against sclerotial development of *Sclerotinia sclerotiorum* and
Sclerotium rolfsii - *P. K. Mishra, D. P. Singh and J. S. Srivastava*.....

Evaluation of botanicals and PGPRs against *Xanthomonas campestris* pv. *campestris*, an incitant of black rot of
cauliflower - *S.K. Sain, H.N. Gour and Pratibha Sharma*.....

Screening of common germplasm of soybean against charcoal rot disease with different organic and inorganic
amendments - *Shabbir Ashraf, M. M. Khan, F. A. Mohiddin and Huma Naz*.....

In vitro evaluation of *Trichoderma* spp. against vegetative mango malformation pathogen *Fusarium moniliforme* var. *subglutinans* -
Pradeep Kumar, A. K. Misra, B. K. Pandey and D. R. Modi.....

Nematology

Time and concentration mortality response of different laboratory hosts to *Heterorhabditis indicus* (RCR)
(Nematoda: Heterorhabditidae) - *Shabana Anjum and Prabhuraj, A.*.....
